Divisional General Managers

A comprehensive list (made up from the central Inchnet database) of Divisional General Managers with overall responsibility for a division or business unit (not a subsidiary) of a larger organisation. Typical titles include; General Manager, Divisional General Manager, Divisional Director, First Assistant Secretary (Govt), Area Manager (Govt) and Business Manager. A majority of companies on the file are turning over in excess of \$10 million and/or 50+ employees.

This list is meticulously compiled and over twenty industry codes and a growing selection of industry keywords allows the list user to efficiently zero in on their industry target markets. Updating is maintained on a continual basis. All contacts on the file are tele researched every three months. This is supplemented by monitoring of media and other published information sourced and by dead mail.
