## Hospitality Database

This List consists of subscribers to Hospitality Magazine and from other related trade magazines published by Reed Business Information. Of the 14397 records available 2194 records are personalised.

Serving the hospitality industry since 1967, Hospitality is the news magazine that decision makers read to keep informed about the latest products, trends and technologies associated with the hospitality.

Hospitality is written and designed to inform, educate and entertain readers in operational and management positions throughout the complete mix of licensed and unlicensed accommodation and catering establishments Australia wide. Out Multi tiered distribution ensures saturation in key buying and specifying positions throughout the industry.
