Company Secretaries - D&B

This list of personnel is sourced from the Dun and Bradstreet file.

It contains a comprehensive contact base of 9,796 Company Secretaries, who determine the financial calendar and are responsible for general shareholder issues including the share registry, dividend payments, shareholder plans, and stock exchange listings within the company.

The Dun & Bradstreet Business Who's Who and Duns File are comprehensive and verified business files which can be used to build targeted marketing lists, enhance your database and carry out market research. These lists span every Australian industry and connect you with your most valuable potential customers.

This file is updated regularly through telephone research and provides a 95% deliver ability guarantee.
